STOCK CARTONS

Need cartons in a hurry? We have a selection of cartons that we keep in stock with handy sizes that are suitable for a mix of applications.

Our stock cartons are all plain, but if you are looking to add your own branding, these can be printed in full colour on our digital post-printer. Our in-house design team can assist with creating the artwork to turn our plain cartons into something unique.

Length - Longest side of carton as it sits on a surface
Width - Shorter side of carton as it sits on a surface
Depth - Height of carton as it sits on a surface

NOTE: All measurements are taken from the inside of the carton
